Stunning ways to knit fashion news!

Necklines are news in this book — cardigans with the frankly feminine appeal of soft collars or ties . . . a neat little sweater with a very different V-neck . . . and a current overseas fashion hit, the shirt that grew.

You'll find several of the styles here suitable for TV knitting.

Check the Dye-lots

Always buy enough yarn to complete your garment, and be sure it comes from the same dye-lot. Slight variations between dye-lots are unavoidable. So CHECK the dye-lot numbers. It pays.

Successful results depend on correct tension

Before you start knitting, take the wool and needles specified in the instructions, cast on 20 stitches, work 20 rows in plain smooth fabric. **Lightly** press work. Check the tension by placing an inch tape across the stitches. Count the exact number of stitches to 2" and compare with the tension given in the instructions. If your tension is too loose, try a size finer needle. If it's too tight, try a size larger needle. If more than one size of needle is recommended in the knitting instructions and you have altered your needles to correct the tension, corresponding alterations must be made to needles throughout the instructions.

Abbreviations

K. = Knit. **P.** = Purl. **sts.** = stitches. **tog.** = together. **alt.** = alternate. **p.s.s.o.** = pass slip stitch over. **ins.** = inches. **rep.** = repeat. **Garter Stitch** = every row knit. **inc.** = increase. **patt.** = pattern. **t.b.l.** = through back of loop. **beg.** = beginning. **dec.** = decrease. **incl.** = inclusive. **y.fwd.** = yarn forward. **y.r.n.** = yarn round needle. **y.o.n.** = yarn over needle. **ch.** = chain. **sp.** = space. **s.c.** = single crochet. **d.c.** = double crochet. **tr.** = treble. **sl. st.** = slip stitch. **h. tr.** = half treble. **l. tr.** = long treble (wool over hook twice).

When instructions read: "Cast off 2 stitches, K.2" (or similar stitches), the stitch on the right-hand needle, after casting off, is counted as one stitch.

Always Knit with a Patons Yarn to a Patons Pattern

Every one of Patons patterns is designed particularly for the yarn recommended. So to get results you'll be proud of, **make sure you follow Patons knitting instructions exactly.**

KNITTING STITCH

1st row

2nd row

1st and 2nd rows

Knitting Stitch is a stitch worked directly over each knitted stitch, with a contrasting colour to represent the same knitted stitch as before.

Each square on the graph represents one stitch.

Insert needle from back of work, in the centre of any stitch and draw through. * Insert needle from right to left, underneath the two loops of the same stitch one row above, and draw through, then insert needle

back into original place where needle was first inserted, draw underneath the two loops still working from right to left, and out into the centre of the next stitch (thus completing one knitting stitch), repeat from * to end of graph pattern.

All rows of pattern are worked from right to left, then from left to right, till the motif or pattern has been completed.
